

A gift that keeps on giving...

The Friends of Beebe Library is a participant in the Yankee magazine Community Partners Program.

The Wakefield community will benefit throughout the year, as you, family members or friends, enjoy *Yankee*, the “Magazine of New England Living.”

When you purchase a \$20 subscription (regularly \$24), the Friends receive \$8 to benefit the Library’s children’s programs and to help fund the Library’s museum pass program.

Official, business reply (prepaid postage) subscription cards are available at the circulation desk. Or, return to the home page to be linked to a form that you can copy and mail to:
